

Fiesta Competition Request for Help

Volunteers Needed

Those who attended the Carpinteria Competition, or Regionals, have seen how much work a large competition takes. We are seeking parent volunteers during our host competition. The jobs we have available are:

- **Finish Line Recorders** (two per group all day)
- **Scoring Table** (three are needed at all times, 2 hour shifts)
- **T-Shirt Sales** (one person at all times, 2 hour shifts)

All jobs start with a 9:00am meeting at scoring table (palapa) and finish after the last event. Volunteers will earn a Fiesta T-shirt. Call Director Matt with questions, 897-2680. Expect a call from an instructor by Thursday to confirm your volunteer job and time. If volunteering for Finish Line Recorder we will place you with your child's group.
